Meets Hercules

Actor Kevin Sorbo (Hercules) couldn't wait to have his Universal Contour Wrap guaranteed inch loss and de-toxifying treatment after being introduced to it in LA recently. Even calling our Vancouver Head office the next day to arrange his appointment, "I'm definately coming to Vancouver to have this done, I want my body wrapped."

Universal Contour Wrap and Body Beautiful Canada are also proud to be helping Kevin with his Celebrity Golf Tournament in Las Vegas benefiting 'A World Fit For Kids.'
